

Gist Form

Student Name:

Directions:

1. Complete your WSEP Self-evaluation first.
2. Identify your weak skills (0, 1, or 2).
3. Gather your WSEP, a copy of the Building Science Standards, and this Gist Form.
4. Enter the "gist" of your weakest skills in the left column.
5. Find the Units of Study that align with your "gist" on the Building Science Standards; mark an 'x' in the box.
6. The Unit with the most 'x' should be the one you study first; develop a Study Guide by breaching on the standards in that Unit.

Find the research topics that align with your "gist" on the Building Science Learning Standards; mark an 'x' in the box.

[illegible]
